SCHOLAR APPRECIATION WEEK

April 2 - April 8, 1989

*Cedars, Lake Shore Drive
Lake George, New York 12845
April 28, 1989*

Dear Merchant,

Dan and I would like to take this opportunity to thank you for your time and participation in helping to make the first annual Scholar Appreciation Week a success. We have received many enthusiastic responses from school administrators, parents and students. We have also heard comments from students not eligible this year who intend to work harder in order to be eligible next year. Student motivation, of course, is the main goal of our project.

Plans for the second Scholar Appreciation Week in 1990 are already underway. We anticipate a larger turnout from the business sector and welcome any ideas or suggestions you may have. We will plan on your participation in the 1990 Scholar Appreciation Week and will be forwarding information to you in the fall.

Thank you once again for your participation.

Sincerely,

*John Miller
Project Developer*

*Dan Bennett
Project Developer*

Glens Falls NY 12801

Dear Chris,

It is amazing but "Radio gets results" beyond a layman's expectations. We are so grateful for the growing community support we are receiving in response to the consistent, positive coverage on WWSC.

During the Sunday of the Albany Telethon, I mentioned on the air, that anyone in their car or anyone who didn't care to phone in a pledge, could mail a donation to First National Bank. To date, almost \$400 has been received that way.

We received \$1951.25 from the Jay-Mar Miller promotion that we could have lost to our national association without your help and your contacts with Claude Charlebris.

We appreciate Dave Covey's cooperation and sharing of his professional expertise with us. Nancy Gordon has a special empathy for our program and Don Racette has been a delight to work with, as has Bill Miller. And we bless Jackie for her patience and courtesy.

"We're all family." What a caring and supportive family it is! Thanks to all of you for everything.

Sincerely,

Marilyn R. Cohen

Dear Rick,

Once again, Y96 FM has helped Easter Seals in making another event successful.

Just to recap some of the things we talked about on the phone. All together we had a total of 35 volleyball teams who raised a total of \$9,648.04! That is a fantastic amount we blew our goal right out of the water!! Adirondack Construction was the top fund raising team with a total of \$2,112!

I think the event was great! I hope you and everyone at Y96 had a great time playing! The promotion that you gave the event made it successful and I thank you for that! I hope we get the chance to work together again! Thanks for your continued support of Easter Seals and we look forward to another successful event next year with Y96!

Thanks, Rick!

Sincerely,

Susan Davenport

GLENS FALLS, NEW YORK

Sagamore calls for charities to apply

The Second Annual Sagamore Charity Ball Contest is under way to select which one will be the beneficiary of the resort's Second Annual Gala Charity Ball, set for Dec. 5.

Any non-profit charitable group or organization in Warren, Washington, Essex, Hamilton and northern Saratoga Counties is eligible to submit a 300-400 word essay describing the charity, why it should be chosen, and who the person writing the essay is. Essays should be sent by Oct. 2 to Laurie Shuman, Director of Public Relations, Sagamore Resort, Bolton, 12814. Call 644-9400, extension 6200, for more details.

Shuman says an independent panel of recognized community individuals will select the beneficiary based on its overall benefit to the community at large and its level of need.

Last year's charity ball raised nearly \$20,000 for Operation Santa Claus, says Jerry Eichin, who spearheads Operation

Santa Claus with Frank Munoff. "Without a doubt that was a great success."

Seating capacity at the black-tie optional gala will be 720, said Shuman. Last year, after more tables were added when the original 590 tickets sold out, 620 people paid \$37.50 each for tickets, with \$20 from each ticket going to Operation Santa Claus. Shuman didn't have the exact price yet for this year's tickets, but said, "We plan on following the same basic format." They plan to run the gala's auction a little differently and have more dancing, she added.

The money from last year's gala allowed Operation Santa Claus to increase its coverage to a total of about 23 school districts, says Eichin, adding that this year they are planning a "Christmas Wish" program called "Kids Helping Kids" in conjunction with radio station WWSC/Y96.

Although not 100% definite yet, the plan is to have school districts come up with their own fundraising programs and then hopefully have Operation Santa Claus fundraising provide matching funds, said Eichin. The district raising the most money per capita would receive a trophy and a free dance from Y96 with possibly a live remote broadcast from the school, he added. —David Cederstrom

Santa's helpers run to aid kids

By Edward Fitzpatrick
Staff Writer

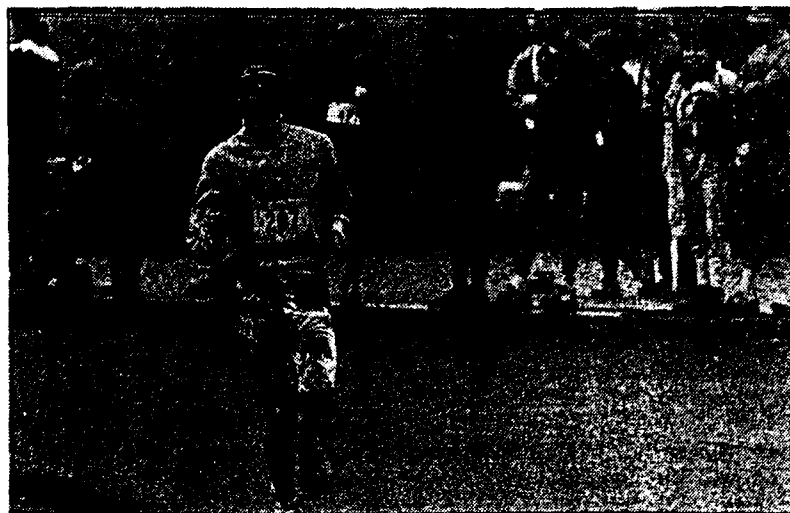

Operation Santa Claus completed its second leg Sunday when 165 people competed in two Hudson Falls road races.

In the process, the runners raised \$8,500 for Operation Santa Claus — a nonprofit, volunteer organization that buys clothing and food for needy children in the Glens Falls area, Co-Chairman Frank Munoff said.

The first leg of the fund drive involved a skate-a-thon at Skateland off Glens Falls last Saturday, Munoff said. That event garnered \$10,000, he said.

Sunday marked the road race's seventh year, Munoff said. Runners huffed and puffed through either a 5-kilometer or 10-kilometer course, both of which began and ended at the Hudson Falls Junior High School on Notre Dame Street, he said.

Sunday also featured a breakfast sponsored by the Fort Edward-Hudson Falls Elks Lodge, Co-Chairwoman Corinne Peceu said. Clowns painted children's faces and made shapes with balloons, while St. Nick himself mingled throughout the meal, she said. People planning to take part in the road race avoided the eat-and-run option, she said.

Operation Santa was going full blast Sunday — with eating and running both under way. At right, Jody Martin, 11, a member of Girl Scout Troop 273, helps out at the Operation Santa breakfast at the Knights of Columbus Hall on Main Street in Hudson Falls. She takes a turn pouring coffee. Above, the Operation Santa run in Hudson Falls. (Tom Shaw photos)

Thursday, Co-Chairman Jerry Eichin said.

The Holiday Hope Chest harnesses the fund-raising energies of 22 area school districts, Eichin said. The schoolchildren will bring the fruits of their efforts to the Route 9 McDonald's in Queensbury, he said. Radio station WYLR of Glens Falls is sponsoring the event, Eichin said.

During last year's Holiday Hope Chest, a schoolgirl hauled in \$1,200 with a can and bottle drive, while a Queensbury group raised money by selling Christmas bulbs made by an elderly lady, he said.

The anchor fund-raising effort comes Dec. 10, when about 650 Glens Falls area residents will kick up their heels in style at the Sagamore Hotel and probably raise about \$35,000, Munoff said.

sionals right down to the grass roots," he said.

When the fund-raisers are completed, Operation Santa Clause will have raised more than \$60,000, Eichin said. That figure stands many times taller than the \$500 that the group raised in its first year — 1973, he said. Operation Santa Clause was born when Munoff walked 50 miles that year, Eichin said.

Munoff said the event aims to make Christmas Day a little more enjoyable for children in Warren, Washington and Saratoga counties and parts of Essex County. A network of about 1,000 volunteers serve as Santa's elves, getting the gifts to parents of children who otherwise might not get the gifts, he said.

The gifts consist of food and

get together with group organizers and identify the children who need the gifts. This year, presents will go to about 3,500 children, she said.

Ms. Peceu said group members either give the money to school officials or do the shopping themselves. Some schools have parents pick up the gifts during school days, while other schools

attack the stores in the next few weeks," he said.

The following individuals won Sunday's races: Five-kilometer race: (Male) Reggie Beehner, 16.52 minutes; (Female) Sandra Barnes, 21.40 minutes. Ten-kilometer race: (Male) Bannon Corbett, 34.26; (Female) Jean Kerr, 40.11

Race organizers said they an-

Dear Rick:

Thanks for calling today to let me know that businesses are interested in the Volleyball Marathon. I am enclosing a public service announcement that gives you an idea of how to attract the businesses to the event. This is just a guideline for you, you can change it if you need to.

I think if you start announcing it at the end of October, it will encourage businesses to become involved. I am waiting to receive the Camber directory so I can add those businesses to my mailing list. I will be mailing the flyer to past participants, YMCA teams and area businesses. The mailing is planned for the first week of November with the telemarketing department following up in the second week.

Once I get the final list compiled for the mailing, I'll send you a copy. Let me know if you can get the team listings from the YMCA, I really appreciate it.

I will be in touch soon, and if you have any other questions, please do not hesitate to call!

Sincerely,

Susan Davenport

Glens Falls, N. Y. 12801

Dear WYLR,

I am in the seventh grade
at Castle Junior High in Newburgh,
IN. Newburgh is close to Evansville,
if you don't know where that
is.

For a music project, each student
in the seventh grade is writing to
the radio station of their choice from
all over the U.S. to learn more about
the medium of radio. Our school has
worked on this project for 12 years.
We try to contact as many different
radio stations as possible each yr.

Would you please assist us in our project? Would you please send 2 bumper stickers/posters — 1 for me to keep & one for the room to display on our classroom walls? Please send me any promotional material / paraphernalia you may also have available. Your material will join the hundreds of other radio stations from our ongoing project.

You are to return any material that you are sending to:

Lindsey Ireland
5622 Dutchess Ct.
Newburgh, IN 47630

As it would be on the envelope.

Thank you for your assistance on our class project.

Looking forward to
hearing from you soon,

Lindsey Ireland

Eph. 10/77

P.S. I chose your station
because I like the kind
of music you play. Play.
What are your other
sister radio stations?
Thank you for taking
the time to read my
letter.

Dear David:

Thank you for serving on the 1990 WalkAmerica committee. Your dedication, evidenced by your enthusiasm and assistance during the campaign, were major factors in our success.

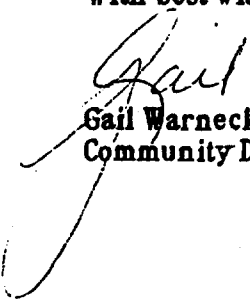

I'm sure you'll be pleased to know the results of WalkAmerica for the entire chapter:

<u>Walk site</u>	<u># walkers</u>	<u>\$ pledged</u>
Albany	725	\$74,705
Amsterdam	175	\$10,829
Glens Falls	465	\$52,686
Hudson	91	\$ 6,960
Saratoga	362	\$33,483
Schenectady	162	\$ 9,472
TOTAL	1,980	\$188,135

As noble as our mission is, the success of WalkAmerica could only have happened with the commitment and participation of people such as yourself.

Once again, many thanks for your interest in the March of Dimes efforts to give every child a healthy start in life. We are deeply appreciative of your endeavors.

Dear Chris:

On behalf of the Board of Directors, Advisory Board and staff of the Warren/Washington Counties Council on Alcoholism and Substance Abuse, I want to thank you for your support of the Council's April activities. Both the Youth Fair at Aviation Mall and the Annual Dinner at the Queensbury were great successes, due in part to your contribution of publicity and the live remote.

Our Annual Dinner was a huge success, with over 150 people in attendance. Lieutenant Governor Stan Lundine, the guest speaker, spoke of the Governor's commitment to addressing the substance abuse problem, and the fiscal crisis confronting the State this year. In addition, the Youth Fair attracted hundreds of people, mainly parents with children. We distributed hundreds of pieces of literature, balloons and coloring books.

Please extend our thanks to Jake for his time and energy during the Fair. I know he wasn't feeling his best and we appreciate his efforts.

Your support and the support of others in the community was instrumental in our effort to bring together those interested in the prevention and treatment of substance abuse, and to celebrate the outstanding work being done in this field.

Once again, thank you for your support of our Second Annual Dinner.

Sincerely,

Richard M. Lawless
Executive Director

April 24 1990

Dear Chris,

The Earth Day Committee plans to prepare letters of appreciation to groups and organizations which contributed to the success of the local event last Sunday, but I want to send you and your stations my personal thank-you.

A thank you not only for the live coverage of the Prospect Mountain activity itself, but for the promotional announcements and ad libbed comments on Earth Day. Your staff did a great job; every time I turned on the radio I heard something about environmental concerns. Such concerns are especially appropriate for radio stations, as radio is the most efficient and least wasteful of the mass media.

Thank you,

Ron

Ron Peshia

P.S. Thanks to Bob Meyers, ^{Don Amet} Mike Lawrence and everyone else who dug in to make Earth Week meaningful. Between Recycling projects, information and the like, what we're doing here is having some profound impacts on where we live.

Glens Falls, NY 12801

Dear Chris,

I have a problem - how do I find words to really let you know how much we appreciate you and what you and your staff have done for us?

Ron Pesha said something that helps a little. When I tried to thank him he said, "The event itself is enough thanks." It is true that all of us involved get satisfaction from a job well done. And each year the Radio/Telethon is better and better.

We will have exceeded \$25,000 when all the money is in. The comments about the format and quality were uniformly positive. I can feel community support becoming more solid each year.

You'll be interested to know that as we prepare a new agency brochure, the theme is to be "We're All Family." How appropriate that phrase has become!

Please thank your staff for their time and cooperation. We are happy to have initiated a very nervous Bruce Mathews to live television. He survived and we benefited. We are grateful to Bill Miller, to Nanci Gordon and to all those who minded the "store" during the event. A special note of thanks to Jackie for her patience and kindness.

Dave Covey is a special person and his advice and experience have been of immeasurable help in the success of the Radio/Telethon. It is difficult to thank him enough.

Our gratitude to you and the staff of WWSO. We are looking forward to next year's Radio/Telethon with pleasure and anticipation. Thanks again.

Sincerely,

Marilyn

Dear Rick:

Thanks again for agreeing to do a live remote for Alcohol Free Weekend. The title of our youth fair is "I'm Free for the Weekend; Chemical Free Youth Carnival" The Carnival is in celebration of National Alcohol Awareness Month and Alcohol Free Weekend, which is April 6-8.

The Carnival is sponsored by our office, the BOCES Substance Abuse Prevention Program, and the Youth-At-Risk Community Partnership Project. We hope to deliver a strong message of abstinence for the upcoming prom and graduation festivities.

Attractions for the Carnival include a magician, clown and information booths, as well as your radio presence. The door prizes include:

Tuxedo rental from Jonathon Reid
Free limo service from Adirondack Limousine Service
Certificate for a free hairstyle from the Best Little Hairhouse

In addition we will be selling the Tshirts I have enclosed for you and Jake.

The hours of the Carnival are 6 p.m. - 9 p.m. Friday and 10am - 5pm Saturday.

Finally, we have arranged for the mock jail for Jake. I have enclosed a copy of the CONTRACT FOR LIFE that we are hoping to have signed by parents and kids. I think a reasonable goal would be fifty of these contracts throughout the Carnival. We will start promoting the Contracts on Friday night, but will rely heavily on Jake to request people to sign them. He can state that we 50 signed contracts in order for him to get out of jail.

On another subject - I have arranged for three SADD kids to come to the radio station tomorrow (Tuesday) at 3:30 pm, to tape the PSAs. I will bring copy with me but timing will be up to you. I haven't done this before.

Thanks again for all your help with our April activities. It is much easier to get the word out when we have this kind of community support.

Sincerely,

Mary C. Traynor

Mr. Rick Dusenbery
Radio Station WYLR
217 Dix Avenue
Gelns Falls, New York 12801

Dear Rick,

Thanks for agreeing to run the enclosed
PSA during this year's Girl Scout Week,
March 11 through 17.

The ad was created by Chiat/Day/Mojo
for young teen girls. We'd be interested
in hearing what you and Dave think of it.

This will be the first Girl Scout announce-
ment to be aired by WYLR, so we're really
looking forward to learning what kind of
response it brings.

Thanks again.

Sincerely,

A handwritten signature in cursive script that reads "Kathy Wright".
